CONSENT AGENDA

Minutes

Plan Commission Meeting Minutes – March 21, 2007. A motion was made by Council Member Grecco, seconded by Council Member Faul, and carried to receive the minutes as presented and file as appropriate.

BILLS REQUIRING FIRST READING

BILL NO. 6789 - AN ORDINANCE OF THE CITY OF FERGUSON, MISSOURI, AMENDING SECTIONS 7-236 AND 7-237 OF ARTICLE XI OF TITLE 7 OF THE MUNICIPAL CODE RELATING TO REGULATIONS FOR ACCESSORY STRUCTURES ON COMMERCIAL PROPERTY, was introduced by Council as a whole and read the first time.

City Manager, John Shaw explained that many commercial establishments have started placing clothing donation receptacles on their parking lots. In many instances, these receptacles are merely dumpsters which are painted red or yellow and do not have any screening. Mr. Shaw stated that it has been reported in recent months, many of these dumpsters, located on the

parking lots of commercial property are maintained by for-profit companies who make big profits by selling the donated clothing overseas.

Mr. Shaw further commented that without limitation or regulation, these receptacles may be placed where they interfere with the flow of the traffic on the parking lot, block parking spaces which may be required for the business, or rest in the property's setback areas or other prohibited spaces. Therefore, Mr. Shaw stated that most cities require special use permits for such donation receptacles.

BILLS REQUIRING SECOND READING

BILL NO. 6788 - AN ORDINANCE AUTHORIZING THE EXECUTION OF AN AGREEMENT WITH NORTHPARK PARTNERS LLC FOR THE SALE OF PROPERTY, was introduced by Council as a whole and read the first time.

A motion to read the Bill a second time and place it upon its passage was made by Council Member Salant, seconded by Council Member Hines.

Mr. Shaw explained that this property is an undeveloped area that contains a creek and is South of Suburban and within the NorthPark development area. NorthPark needs the creek for drainage and detention. They have agreed to pay the City \$150,000 and install a landscape buffer along Hern. This \$150,000 is over and above the \$500,000 that NorthPark owes the City under the terms of the separate Redevelopment Agreement.

Mr. Shaw further stated that in addition, as NorthPark is also taking a parcel from the County, NorthPark agreed to subdivide the County parcel, which was approved by this Council at the April 17, 2007 Council meeting. NorthPark will take the majority of the County property, but will grant to us the portion of the County property that is located east of Hern. The City proposes to use the property for a Park.

On roll call vote, the motion carried as follows:

AYES: 6 – Crecelius, Salant, Hines, Fletcher, Faul, Grecco
NOES: 0
ABSENT: 1 - Knowles

Bill passes 6-0.

Approved 5/8/07
