PUBLIC HEARING

Special Use Permit – 6185 Bermuda Road

City Manager, A.J. Krieger explained the purpose of a Special Use Permit for a restaurant at 6185 Bermuda Road which is zoned M1. The Plan Commission has recommended approval for the Special Use Permit with three stipulations.

Petitioner, Redmond Harris of 4042 90th Avenue, Florissant, Missouri stated his plans to open a barbeque restaurant and sell the best barbeque in St. Louis. He feels he found a home in Ferguson. Mr. Harris stated he originally started selling barbeque on Ferguson streets and was successful.

Councilman Corson questioned the hours of operation and if the business was strictly carryout. Mr. Harris noted his hours of operation will be 10:00 a.m. to 7:00 p.m. (Monday through Friday) and 10:00 a.m. to 10:00 p.m. (Saturday). His restaurant will be strictly carry-out and no sit down dining. Mr. Harris will use the drive behind the building as his cooking area. His business will be open year round and parking should not be a problem since it is carry-out only.

Councilman Kallstrom asked if there will be a pathway between the restaurant and the Trailnet area. Mr. Harris indicated if something could be worked out with Trailnet he would like a pathway. There will be no vending machines outside the building, only fountain soda will be served inside.

There being no additional comments at this time Mayor Wegert closed the Public Hearing at 8:29 p.m. and discussion will resume under the Manager's Report.

product? Mr. Krieger will follow-up and advise Council.
