

CITY OF FERGUSON LIQUOR LICENSE APPLICATION

Please read and complete all fields and statements contained in this application with extreme care.

NEW APPLICANTS (those who have never held a liquor license at the location currently being sought for liquor license approval) are required to attend a pre-application meeting with the Zoning Administrator and City Clerk to walk through the process for obtaining a liquor license at your specific location. To schedule an appointment, please call 314-524-5152. All new liquor license applications will go to the City Council for conditional approval.

APPROVAL OF ANY LIQUOR LICENSE IS NOT AUTOMATIC. Sec. 4-53 of the Code of the City of Ferguson states, "However, the issuance of a license is a privilege and is discretionary with the Council and shall not be issued as a matter of right."

Should you have any questions about this application, please call the City Clerk at (314) 524-5152.

The undersigned applicant hereby applies to the City Council of the City of Ferguson, Missouri for a liquor license as indicated on the attached application form for the business premises. For the purpose of inducing the City Council to issue said license, applicant(s) makes the statements and answers hereinafter set out and understands and agrees that, if any statement or answer made herein is untrue and the license herein applied for is granted, such license may be revoked or suspended by said City of Ferguson. Applicant further understands and agrees that if (s)he or any employee(s) shall violate the provisions of any law of the State of Missouri or the City of Ferguson, or any rule or regulation of the Supervisor of Liquor Control, or knowingly allows any other person to do so upon licensed premises, the City Council may suspend or revoke the license granted hereunder. Applicant(s) further agrees that, if the license is granted, inspections may be made in accordance with the regulations passed by the City Council.

All Liquor Licenses issued are valid from the date of issuance to June 30 following issuance (at which point a renewal is required).

We issue this cautionary memo in your interest. We want to ensure that there is no misunderstanding about the possible approval or disapproval of the application. You should not make any unnecessary financial commitment or expense in anticipation of approval. If you do so, it is at your own risk.
