

## **Ferguson Mayor and City Council Announce Upcoming Town Hall Meetings**

**Ferguson, MO – October 3rd, 2014** – Ferguson Mayor and City Council announced today the locations and times for the next set of Town Hall meetings. The next meetings will address Diversity and Racial Tension and A Roadmap for Growth.

Both meetings will be held at only one location, the Ferguson Community Center, located 1050 Smith Avenue from 6-8 p.m.

The Department of Justice will be having roundtable discussions about the topics and the meetings are restricted to Ferguson residents and businesses. Media will not be allowed inside.

"We know many have their disagreements about the DOJ restrictions to limit our Town Hall meetings to only Ferguson residents and businesses; but the previous meetings have been very helpful in terms of providing an opportunity for dialogue and acquiring much needed insight to make forward progress. The revitalization of Ferguson must start from within," says Mayor Knowles.
