CONSULAR NOTIFICATION AND ACCESS FOR FOREIGN NATIONALS

460.00 POLICY

It is the policy of the Ferguson Police Department to comply with all United States treaty obligations on consular notification and access and the purpose of this general order is to establish guidelines for police to follow that meet U.S. the requirements.

460.01 DEFINITIONS

- A. Arrest or Detention: Any arrest, detention, or other commitment to custody which results in a foreign national being incarcerated for more than a few hours triggers consular notification requirements. A brief traffic stop or an arrest resulting in a citation for a misdemeanor and release at the scene does not trigger such requirements. On the other hand, requiring a foreign national to accompany a law enforcement officer to a place of detention may trigger the consular notification requirements, particularly if the detention lasts for a number of hours or overnight. The longer a detention continues, the more likely it is that consular notification requirements are triggered.
- B. Foreign National: Any person who is not a U.S. citizen; same as “alien”. Aliens who are lawful permanent residents in United States and who have a resident alien registration card (“green card”) are foreign nationals. So are undocumented or “illegal” aliens.
- C. Consular Officer or Consul: A foreign official authorized by the Department of State to provide assistance to the foreign government’s citizens in the United States. Different from “counsel”, which is an attorney authorized to provide legal advice. Consuls are not authorized to practice law.
- D. Diplomat: A foreign official at the country’s embassy in Washington, D.C. assigned to represent the country. Diplomats may also perform consular functions, and should be treated the same as a consular officer.
- E. “Mandatory” notification: Consular notification procedures that apply when you arrest or detain a foreign national from any of the 57 countries that have agreed to special rules with the United States. For such a foreign national, you must notify the consular officer regardless of whether the national requestor wants you to do so. The

“mandatory”: list of these 57 countries is at www.travel.state.gov/consularnotification.

F. “Upon Request” notification: Consular notification procedures that apply when you arrest or detain a foreign national from any country not on the “mandatory” list of 57 countries.

460.02 CONSULAR NOTIFICATION PROCEDURES

- A. Obligation triggered at time of booking. The notification process will begin at the time the arrested foreign national is booked into the detention facility. The booking officer who processed the foreign national is responsible for implementing the notification process. The booking officer shall notify the on duty supervisor.
- B. Determine the foreign national’s country. In the absence of other information, assume this is the country on whose passport the foreign national travels. Absent citizenship documentation or other evidence to the contrary, accept the foreign national’s own statement as to his or her nationality.
- C. Determine whether or not this country is a mandatory notification (“list”) country. If the foreign national’s country is not on the list of “mandatory notification” countries, he or she is from an “upon request” country.
 1. For foreign nationals whose country is on the list of mandatory notification countries:
 - a. Notify the nearest consulate of the foreign national’s country via fax immediately or as soon as reasonably possible, and in no case longer than the end of the booking shift. Notify the consulate even if the foreign national does not want notification. Contact information for consulates is at www.travel.state.gov/consularnotification.
 - b. Never tell the consular officer that the foreign national has requested asylum. If the consular officer insists on information the foreign national does not want disclosed, contact your supervisor or the Department of State at (202) 647-4415.
 - c. Inform the foreign national that you notified his or her consulate. You may use the sample statement, available in several languages, at www.travel.state.gov/consularnotification.
 - d. Make a note of the completed notification in the case file and keep the fax and fax confirmation sheet.
 2. For foreign nationals whose country is not on the list of mandatory notification countries:
