In issuing this Order, I take note of the recommendations of the Center for Disease Control (CDC), State of Missouri Health Department and St Louis County Health Department. I have also consulted available members of the City Council, with our city staff including the City Attorney and all department heads and issue this order in the absence of a quorum of the City Council which will be effective immediately and remain in place until rescinded by my office or revoked or modified by the City Council.

If closure extends beyond April 5, 2020, billing credits will be reassessed
3. All recreation programs being offered by the City, whether at the Center or elsewhere, are canceled effective immediately.
