

Community Policing and Engagement

The FPD agrees to promote and strengthen community partnerships and positive interactions between officers and Ferguson residents, the City and FPD will increase opportunities for community engagement and will continue to adopt a policing approach that is community-oriented and based on problem solving principles.

The City will begin to host and participate in a series of small-group structured dialogues, arranged and led by a qualified neutral facilitator, between police officers and community members and groups, with an emphasis on community members and groups who previously have not had strong or positive relationships with FPD or the City.
