Chief Armstrong reported in an earlier meeting that a minimum of 16 complaints had been found to have been filed from 2015-2018. Working backwards from 2018, 8 of those complaints will be reviewed by the end of March in order to gather statistics from them.

Mr. Franks reported that one last provision of the Memorandum of Understanding between the FCRB and the FPD needs to be finished, and that the final draft would be available to the board for its review at the April meeting.

Due to scheduling conflicts, the dates for the series of planned town halls were changed. Mr. Noll asked if the Zoom links previously provided could be used for these rescheduled town halls. Ms. Barton will check on that.
