

# Pool Guide

Please reference the City of Ferguson's Municipal Code and the 2018 International Building Code for more information on the construction documents for your project.

Permit applications are available online at:  
[www.fergusoncity.com](http://www.fergusoncity.com)

or

110 Church Street, Ferguson MO 63135

# WHAT DO I NEED?

\$98.17

*Fees may vary,  
please check  
with Community  
Development.*

## PERMIT APPLICATION

### MAP OF THE PROPERTY AND POOL

#### GENERAL GUIDELINES

- Additional drawings may be needed depending on pool type. I.e. electrical and plumbing
- Pools must be 5' off of property lines and 10' away from other structures
- Fencing is required for pool less than 4' tall
- Gates should open away from pool, be self closing and self locking
- Pools without fencing will need a locking or removeable type ladder
- All electrical connections within 20' should be GFCI protected
- An accessible disconnect shall be provided
- No electrical is permitted to run under a pool
- If wiring is installed without conduit, you must be 18" - 24" below grade
