BACKGROUND

The City of Ferguson is an inner-ring suburb located in St Louis County, MO, approximately 15 minutes from the Gateway Arch and Downtown St Louis. Founded nearly 125 years ago, Ferguson is a community comprised of storied hundred year old homes and tree lined streets. Ferguson also has a great deal of modest post-war housing and modern subdivision style housing tracts. We are bordered by Interstate 70 and the University of Missouri – St Louis on the South and by Interstate 270 on the North. Our Eastern and Western boarders are joined by other municipalities. Ferguson has an ethnically diverse population of nearly 22,000 persons. In 2014 Ferguson was thrust into the international spot light when an officer involved shooting began a regional and worldwide race relations movement. The City continues to receive national public attention stemming from this incident to this day.

SCOPE OF BRANDING INITIATIVE

The purpose of this initiative is to differentiate Ferguson from other surrounding suburban communities in the area by developing a brand which may be used to market the City to prospective businesses, developers, residents and visitors. The chosen agency shall provide The City of Ferguson with a market research study to determine the view of the City in neighboring communities.

The agency must create an image for Ferguson that can be easily and effectively utilized across multiple graphic identity applications and communicative mediums such as signs, letterheads, signage, social media marketing materials and websites.

It should be noted, the City of Ferguson is currently in the process of undergoing a website redesign. Therefore website recreating or redesign need not be part of the agencies proposals. The City is also concurrently recruiting a planning consultant to rewrite the Comprehensive Plan. The both consultants (branding and planning) will cooperate and coordinate public meetings and marketing. Furthermore, it is possible one consultant may be chosen for both branding and planning.

The City of Ferguson requests proposals by qualified firms to research, create, and develop an implementation plan for a community branding initiative for the City of Ferguson.

A defined message that will market the City of Ferguson locally, statewide, nationally, and internationally as a great place to live, work, play and do business; the right place for development, redevelopment and investment; the perfect mix for a business-friendly community.

Flexibility – The brand must be flexible and adaptable in order to meet the needs of a variety of departments and municipal functions within the City of Ferguson as well as groups and businesses within the overall brand. It must also be flexible enough to grow and evolve along with any changes in the market.

Endorsement – The brand must be authentic and resonate with citizens, businesses, employees, and community groups within the City of Ferguson and throughout the region in order to gain the broadest possible support for the initiatives. It must be relevant to the City of Ferguson, but also reflect the desire to move forward
