## **Disc Golf**

### **Objective of the Game**

Disc Golf is played like traditional golf, but with disc golf discs instead of balls and clubs. One throw (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins. The hole is completed when the disc comes to rest in a disc golf basket.

### **SAFETY FIRST**

Never throw when players or other park users are within range. Always give park users the right of way. Be aware of your surroundings and environment at all times.

### **Tee Throws**

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area.

### **Lie**

The lie is the spot where the player's previous throw has landed. Mark each lie with a mini marker disc or leave the thrown disc on the ground where it landed. The player's subsequent throw is made from directly behind the marked lie.

### **Protect the Course**

This course has been designed using the natural beauty of the park. Help us keep it this way. Ensure that any trash you carry in goes into designated cans or carry it out with you (including cigarette butts). There are trash receptacles at various spots through the park. If you bring a pet with you, clean up it's waste afterwards. Please be respectful to trees and other surroundings. Unauthorized removal of tree limbs and other vegetation is prohibited by the Park and Recreation Dept.

This is not just a disc golf course. The park has two pavilions and a path running through it. Please be respectful of others who may be utilizing the space. Please act responsibly while on the premise. Any vandalism or inappropriate use of the park should be reported to Ferguson Parks and Recreation Dept. (314) 521-4661. Any illegal activities should be directed to the Ferguson Police Dept. (314) 522-3100.

### **Golf Etiquette**

In addition of keeping the course clean, a few other rules will help you and others enjoy the disc golf experience here at Hudson. After everyone has thrown from the tee, it is best to let the farthest from the basket throw first. This is for safety. Also, be mindful when playing in small or large groups to let a single player or smaller group "play through" if they are playing faster.
